

APPLICATION - PICKET FENCING

NAME OF RESIDENT.....

UNIT NO. DATE OF APPLICATION

TELEPHONE..... E MAIL.....

Terms and Conditions

- 1 Application for picket fencing is to be made in writing and the application must include a sketch of the proposed positioning of the fence.
- 2 Specifications used be included in the submission and must conform with the laid down requirements and existing picket fencing in the village.
- 3 A quotation for the work must accompany the application.
- 4 Erection of the fencing cannot commence until the application has been approved.
- 5 The Directors reserve the right to decline any application.
- 6 The applicant understands that if the erected fencing does not conform with the Eldoraigne Retirement Estate laid down specifications, the Directors will issue an instruction for the removal thereof at the owners cost.
- 7 Although the fencing will be erected on common property, the applicant undertakes to maintain the structure and the Directors reserve the right to take any action that may be necessary if this is not done so.
